Skills:

NextJs, Redux, TypeScript(familiar), Tailwind CSS, JavaScript, Reactjs, ExpressJs, NodeJs, MongoDB, JWT, Flowbite UI, Figma, git & github, Firebase, TanStack Query, Vercel, OBS, Vmix, NDI, rtmp, Live Production Management.

Projects:

Edumi Website   Live Link | Client Side Code | Server Side Code

Empowered educators and engaged students through Edumi, a dynamic online learning platform built with MERN.

Used Technologies: Reactjs, ExpressJs,MongoDB, TailwindCSS, Tanstack Query, StripeJs, AOS, jsPDF, Flowbite, SwiperJs, Firebase, Json Web Token, Headless UI.

Key Points:

● **User Roles:** Created distinct dashboards for admins, teachers, and students with tailored functionalities.

● **Security and Scalability**: Implemented JWT, Firebase for API authorization, user authentication.

● **Payment System**: Streamlined transactions using Stripe for security.

Community Food Share   Live Link | Client Side Code | Server Side Code

Through Community Food Share, I built a platform that empowers individuals to donate and receive food, fostering a sense of community and tackling food insecurity.

Used Technologies: Reactjs, ExpressJs,MongoDB, TailwindCSS, Tanstack Query, AOS, Flowbite, SwiperJs, Firebase, Lottie react, Tanstack Table, Uuid, MomentJs.

Key Points:

● **Secure Authentication:** Ensures secure user login and registration.

● **Responsive Design:** Optimal interface on all devices with cross-device adaptability.

● **Full-Stack Power:** ReactJS, ExpressJS, and MongoDB for a robust platform.

Taskify   Live Link | Code Link

Taskify is a MERN stack project designed for seamless task management, incorporating the following key features.

Used Technologies: Reactjs, ExpressJs,MongoDB, TailwindCSS, Tanstack Query, Firebase, Json Web Token, React Hook Form, React Beautiful DND, AOS, Axios.

Key Points:

● **Drag-and-Drop:** Effortlessly organize tasks with a visually engaging interface.

● **Firebase & JWT Security:** Ensures robust data security and reliable authentication.

● **Responsive Cross-Device Design:** Optimal interface on all devices for a consistent user experience.

Experience:

Level7 Marketing Solutions/ Jr. Web Developer

January 2024, Dhaka Bangladesh
